

Lady Jaguar Basketball Tip-Off Meeting

September 23, 2026

ALL Players/Parents: 6:30pm-7:30pm

FM9 CAFETERIA

This meeting will provide an overview of the FMHS Lady Jaguar Basketball program. We will go over very important items that need to be addressed for the upcoming season, including player and parent expectations, game schedules, booster club membership and volunteer information.

We are still trying to finalize clothing and shoe options for this year but we think the cost will be around \$185.00. With this payment, your child will receive a pair of Nike basketball shoes and 2 practice t-shirts. Purchasing this equipment is completely optional.

You will also have the opportunity to join the booster club which has many benefits. This year's Booster Club membership is \$165.00 and includes a banquet ticket for the player, access to professional photography photos, email communication, and LEF scholarship eligibility.

There will also be spirit wear available to purchase at our tip off meeting!

We would really like both parents to attend, **but it is very important that at least one parent attends this informational meeting. We will meet in the FM9 CAFETERIA!**

Please enter through the front doors of FM9 (entrance is off Old Settlers Rd).

Make sure to follow us on social media!
