

2022-23 LADY JAGUAR MEMBERSHIP FORM

Dear Parents,

The FMHS Lady Jaguar Basketball Booster Club (FMHS LJBBC) was formed to support players during their High School career. The Club operates within strict by-laws approved by the membership. The Booster Club is responsible for coordinating all fundraising activities to support our program. A KEY area of fundraising comes directly from our membership dues. We budget with the assumption that families of ALL players participating in the program will join the membership. We strive to keep our membership costs low. After keeping our membership dues at the same price for many years we increased it to \$150/player last year (with the discounted price for the families with more than 1 player in the program), and this year it is going to be offered at the same price of \$150.

There are MANY BENEFITS that come with the membership including:

- FREE BANQUET TICKET for the player to attend the end-of-the-season Banquet (guests/family will need to purchase tickets for this event (typically collected in February)).
- ONLY MEMBERS are eligible for their daughter to be awarded an annual LEF Scholarship funded by the LJBBC (you can see the description and requirements for this scholarship on <https://www.lisdef.com/student-programs/scholarships/available-scholarships/>)
- Professional game Photos taken during the season (with free downloads)
- FREE DOWNLOAD of the End of Season Video
- EMAIL COMMUNICATION UPDATES. There is a LOT of information shared throughout the season and ONLY MEMBERS are loaded into the distribution system.

Family Membership for 1 player in the program - \$150

Family Membership for each ADDITIONAL player in the program - \$75
